New Staff Positive Case(s): 0

Dear Resident and Family/Representative,
Please note that we have a resident who was tested positive today 10/21/2022 for Covid-19 in the ER. The resident is currently in the hospital and is asymptomatic.

This letter is written to inform you that the Facility recently became aware of a COVID-19 positive case. Complete Care at Fair Lawn Edge is concerned about the ongoing well-being, safety and health of our residents. The New Jersey Department of Health, the Centers for Disease Control and Prevention (CDC) and local health departments are monitoring the outbreak of the virus, COVID-19. Older adults and those with underlying medical conditions are the people most likely to become seriously ill with COVID-19.

Our staff members continue to follow public health recommendations to reduce the risk of COVID-19 spread. masks, gowns, and gloves when interacting with sick residents, in the effort to mitigate, prevent, reduce the risk of transmission.

We understand the importance of communication and connectivity and our goal is to make it as fluid as possible during this unprecedented time. Facility decisions are made under the guidelines of the CDC, the Department of Justice, and the local Department of Health.

Contact Karen Morris , Director of Social Services, 973-754-6710 x or by email: Kmorris@ccfairlawnedge.com any questions or concerns.

Thank you for your patience and understanding.
